*Canada was founded upon the Word of God. One-hundred years ago it received the designation, "Dominion of Canada," based on the words of the Psalmist: "He shall have dominion also from sea to sea, and from the river unto the ends of the earth." (Psalm 72:8)*

*In retrospect, there is much to be proud of in the history of our nation: It has achieved a position of world-wide influence in spite of its inauspicious beginnings. Centennial projects are certainly justified and we applaud the prospective efforts of several denominations to expand and evangelize in 1967.*

*However, as we endeavour to celebrate our nation's birthday by such worthwhile projects, we will do well to keep in mind the words of Zechariah: "Not by might, nor by power, but by my Spirit saith the Lord of Hosts."*

*The Pentecostal Movement, now in its sixtieth year in Canada, has also reached a milestone in 1967. The great strides taken in its comparatively short history provide added reason to rejoice.*

*As we celebrate centennial, may we be aware that our nation needs our prayers as never before. Let us appropriate the words of Zechariah when he spoke of, "The spirit of grace and of supplication" and allow the Holy Spirit to minister through us in an unprecedented "supplication" on behalf of our nation.*

*It has been indeed a privilege to be Editor of  
this Centennial-Homecoming Edition of the Torch.*

*“... Happy is that people, whose God is the  
Lord.” (Psalm 144:15) We reflect upon a century of  
national prosperity and growth for which we must thank God. We also  
recall with gratitude the blessing of God upon twenty-five previous  
classes of this Bible College.*

*The command still remains to “watch and pray” that we may dis-  
cern the spiritual needs of our Nation and find strength to meet them.  
We are responsible to go forth as true “Watchmen” in the Kingdom of  
God.*

*May the theme of “Prayer” inspire you to seek God’s continued  
blessing upon our College and Country.*

*May the following pages bring enjoyment and challenge as they  
present our College.*

*Thank you, Torch Staff, for your tireless efforts. We desire that  
the Torch will be used of Him.*

# *Dedication*

It is certainly a privilege to honour Rev. N.E. Schlarbaum after sixteen years of dedicated service in expounding the Word of God.

We not only recognize your competence as a Lecturer but also your ability as a Leader and Builder of men for the ministry, the latter demonstrated while Dean of Men for fourteen years.

Observing your life, we note many qualities that characterize a true soldier of the cross: A Man of the Word, a Man of prayer and a Man of action who believes in "getting involved."

On entering the Pastoral Ministry, we know you will continue to challenge people of all ages with the claims of Christ and see much fruit for your labour.

In appreciation for many years of faithful service, we dedicate this Torch to you.

The Watchman has three responsibilities. First of all is the safety of his cause. So the watchman of Christ has the cause of Jesus Christ in his care. As he is faithful in his task of guarding against the attempts of Satan to defeat, derail, or twist the cause of Jesus Christ and bring error into the ideas of the cause: so he is discharging his first obligation.

The second obligation of the watchman is the safety of others. On his care in observing the approach of the enemy and warning of his attack, depends the safety of those for whom he is watching. So serious is this responsibility that men have made it an offense punishable by death to sleep while on watch, for the man that so sleeps is guilty of the murder of his fellow men. Therefore, the Scripture warns, again and again, of the peril of the watchman that sleeps, and is not awake to the dangers of the hour, or of the watchman that is too taken up with other things to do the job for which he has been sent.

Finally, the watchman's responsibility is for his own safety. He must keep watch on himself lest he be overtaken by the enemy and be destroyed before he is able to sound the alarm. Likewise, the Christian watchman must constantly keep a watch on his own life and activity lest he be taken and being defeated by Satan, be unable to give the warning.

When the lookout sees the enemy coming, he does not advance and try to defeat the enemy on his own. This is not his responsibility. But he reports to his commanding officer and his commanding officer in turn takes the necessary action to defeat the enemy. So as watchmen of Christ, our responsibility is not to defeat the foe in our own strength, but rather to report through prayer to God of the approach of the enemy upon us that He might take the action that is necessary to help us and help his church defeat the foe. The Psalmist recognized this in Psalm 127:1 when he wrote "unless the Lord watches, you watch in vain." Of ourselves we are weak, but with God we are mighty to the overthrowing of strongholds.

# DEAN

"Watchman, what of the night?" How far gone is the night? This is the cry of the messengers to the watchman. The watchman replies, "The morning cometh and also the night." The messengers are then invited to enquire again. There may be additional tidings later. (Isaiah 21:11, 12)

Night speaks of darkness, distress and doubt. The world is reeling to and fro like a drunkard. Sin is ripe. Apostasy is in full bloom. Judgment is about to fall. The night is far spent. It was the custom of the watchman to announce the hours of the night. Messengers cried out, "What hour is it? How goes the night? Will morning soon be here?" The cry of God's people is, "How long e'er we shout the glad song, Christ returneth?"

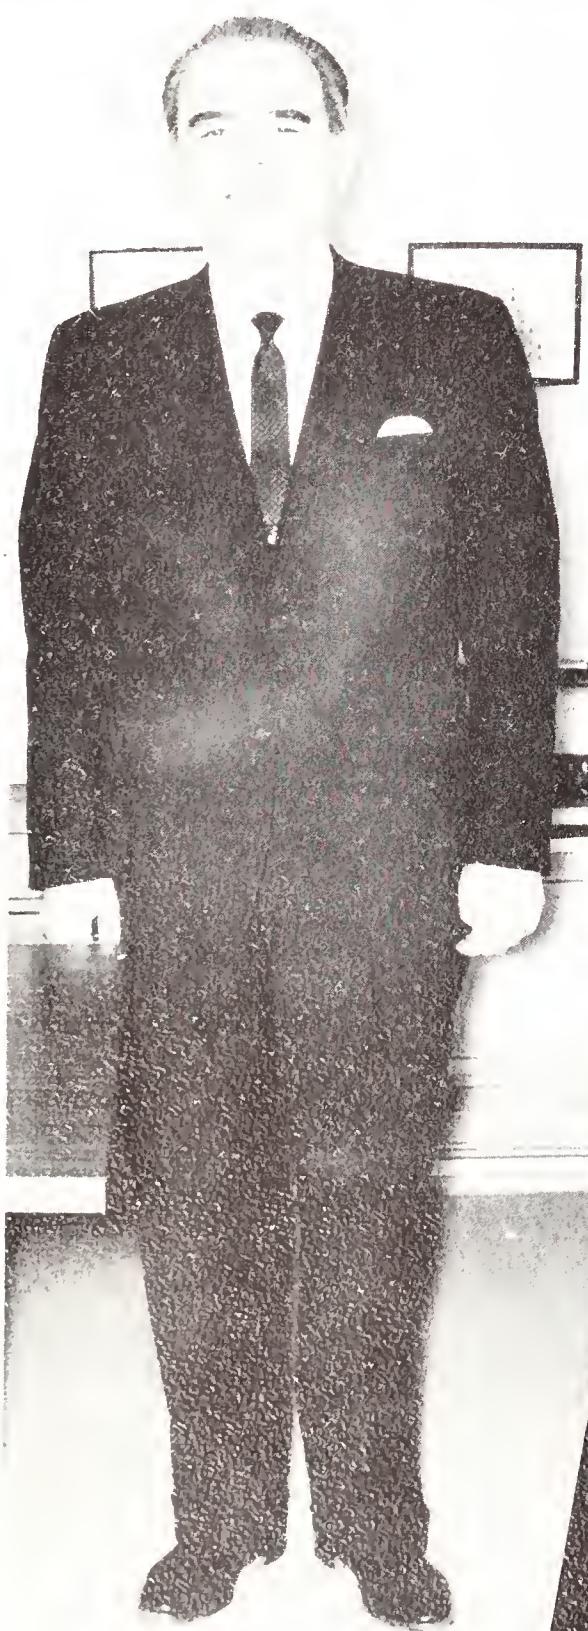

Watchman, what is your answer to the enquirer? Is it, "The morning cometh and also the night?" Is dawn struggling with darkness? Thank God the morning will soon be here.

The night is far spent. Darkness deepens. But, the darkest hour is just before dawn. The day will dawn and the shadows will flee away. The Sun of Righteousness shall arise with healing in His wings.

"Watchmen '67" in this hour of sin, sorrow and suffering, keep awake, be vigilant, be on guard. "Watch unto yourselves." "Watch in all things," "Watch and pray." Spell out the hour of the night. Answer the cry of those who sit in darkness. Tell them of the "Light that shineth out of darkness," "which hath shined in our hearts." Tell them of the morning that cometh when darkness shall flee at the coming of the Sun of Righteousness.

# VICE-PRESIDENT

Nineteen centuries ago a little group of men were asked by their leader to watch and pray lest they fall into temptation. He was aware of the dark forces about to be released around them. They were facing a crucial hour and it would be necessary for them to be alert if they were to accomplish God's purpose.

Sleep is a potent force. Jesus, being aware of this warned his disciples to watch. Paul urged the New Testament Church to watch and be sober.

You are God's watchmen. You dare not sleep when so many lives need your warning. Your watching will involve people who have fallen among thieves. Don't be afraid to walk the Jericho Road. It is there you will find the people who need you. Keep your eyes open. Watch for the safety of others.

Watchmen, do what you cannot do - thank God for the impossible and recognize that God by the power of the Holy Ghost will help you to do what you in yourself are unable to do.

Remember Eutychus. If someone near him had been more alert they might have saved him from a fall. Your task is a difficult one, but very essential. Watchmen, the world needs you, so give yourself as Jesus gave Himself. Lead lost humanity to safety at the cross. Watch for souls that you may give a good account of your stewardship in the day of Jesus Christ. Watchmen, you are going forward into a challenging hour of world history. This hour will call for determination, alertness and vision. Three years of Bible College training will help equip you to meet the needs of your generation. However, this alone will not be sufficient. You will need the power of the Holy Ghost in your life. This will come to you as you watch and pray. Go forth with confidence in God that His grace will be sufficient for every need.

GRADUATION SPEAKER

Helen is thankful to God for the absolute certainty of knowing Christ as Saviour. Through the radio ministry of "Word of Life" this experience became a reality. Also, in receiving the infilling of the Holy Spirit, she is very conscious of His effect upon her life from day to day; revealing Christ and empowering for service.

She came to E.P.B.C., assured of God's guidance, to prepare for future Christian work through study of the Bible and its application in her personal life.

While in College, she participated in Bible Clubs and Radio Choir. This year she was Secretary-Treasurer for the Radio, Literary Editor for the Torch and Leader of the China and Japan Prayer Band.

Helen is confident that God has a plan and purpose for every life and that His purpose will be fulfilled in hers as she looks continually unto Him.

*"But we have this treasure in earthen vessels, that the excellency of the power may be of God, and not of us." (II Corinthians 4:7).*

After being raised in a Christian home, Art committed his life to God at the age of seventeen and a year later received the Baptism of the Holy Spirit.

As C.A. President, Sunday School Teacher and in preaching engagements, he became active in the Lord's work even before coming to College. Here, he continued his witness through leading a Bible Club and preaching on weekend assignments. In addition to representing his class on the Student Council in his second year, he acted as Editor of the Illuminator and Leader of the Home and Jewish Prayer Band this past year.

Art feels he has come to a better understanding of God, as to His plans and purposes, as well as a deeper realization of God's claim upon his life after coming to Bible College. He is convinced that "every believer has a ministry for God" and it is his desire to find that place in God's service wherever He directs.

Althea expresses appreciation for godly parents who not only helped her spiritually but also financially to prepare for full-time Christian Service.

Upon graduation from High School she was employed with the Light and Power Company as a Billing Machine Operator; however came to Bible College in response to the call of God.

During her three years, she has been faithful in Bible Club Work at Lakefield. And, we choose to call her one of our fine Watchmen Evangelists.

We expect the blessing of God to follow Althea as she desires to enter full-time service somewhere in Newfoundland.

*“... Fear not: for I have redeemed thee, I have called thee by thy name; thou art mine. When thou passest through the waters, I will be with thee; and through the rivers, they shall not overflow thee: when thou walkest through the fire, thou shalt not be burned neither shall the flame kindle upon thee.” Isaiah 43:1b-2*

## Althea Brinston

Stephenville, Newfoundland  
BACCALAUREATE SPEAKER

“The effect of working in Youth for Christ Bible Clubs while in High School and in the local C. A. Group has led me to Bible College.” His purpose in coming was to gain a greater understanding of God’s Word and become more useful in His Service.

While at College he participated in the College Outreach Program through working in Bible Clubs. In addition, he was engaged in many week-end assignments in his own home Assembly. This past year he acted as Athletic Representative for the Watchmen Class.

As he goes forth to labour for the Lord after graduation, his only desire is to “glorify God in whatever area of service” God calls him.

*“Whether therefore ye eat, or drink, or whatsoever ye do, do all to the glory of God.”

## David Aide

Huntsville, Ontario

I Corinthians 9:16 "Yea, Woe is unto me if I preach not the Gospel" -- As David was attending the University of Waterloo in his first year of an Engineering Course, the Lord brought this verse of Scripture to mind over and over again until he made his decision to prepare for the ministry.

Upon entering E.P.B.C. he became involved in many activities such as the Ensemble, Watchmen's Quartet, Trumpet Trio, Radio Choir, Orchestra and also represented his class on the Student Council. In addition to this busy schedule, he found time to participate in the Sports Program by playing Hockey.

David's plans for the future are to enter the ministry being confident that God, who has led Him in the past, will continue to do so in the future.

## Harvey Best

Toronto, Ontario

Harvey has counted it a great privilege to come to E.P.B.C. as "the teaching of the Word of God by anointed teachers and the fine Christian fellowship of my classmates is an experience not soon to be forgotten."

He is very thankful for being reared in a Christian home where the Word of God was respected and honoured and where he eventually came to know Jesus Christ as his own personal Saviour.

Harvey took an active part in the College outreach through Bible Clubs and Street Evangelism.

And, as he completes his training here, he looks forward with anticipation to entering the Pastoral Ministry.

*"For I am persuaded, that neither death, nor life, nor angels, nor principalities, nor powers, nor things present, nor things to come, nor height, nor depth, nor any other creature shall be able to separate us from the love of God, which is in Christ Jesus our Lord."*

*Rom. 7:38, 39*

Though born in Poona, India, Trevor lived most of his life in St. John's, Nfld. He is blessed with a Christian home that taught him the ways of the Lord and was converted after leaving home.

At College, he was involved in the Ensemble, Watchmen's Quartet, Radio Choir, Trio Work and Bible Clubs. He was also in charge of tract distribution for local evangelism this past year.

Between his second and third year of College he had good experience as Assistant Pastor at Pagwa River Indian Mission, one of the Ontario Northland Works.

Although he has no definite plans for the future, Trevor desires full-time service in Newfoundland.

This hymn of the Church expresses his testimony:

*"When I survey the wondrous cross,  
On which the Prince of Glory died,  
My richest gain I count but loss,  
And pour contempt on all my pride."*

Trevor Butt

St. John's, Newfoundland

Although Bob has always felt the call of God upon his life, he was not saved until eighteen years of age. On completion of Grade 13 his plans, at first, were to obtain a degree in Chemistry by attending a Technical Institute; however a deep desire for the things of God and the definite leading of the Holy Spirit brought him to Bible College.

In Christian Service, Bob has participated in Street Evangelism and Bible Clubs over the past three years. This year he was leader of the Lakefield Bible Club. The Speech and Debating Society is another activity around the College in which he was keenly interested.

Bob expects, in days to come, to be found "in the service of the Lord" wherever He may lead. And, to know God as in the past: "to work in wondrous power" in his life and lead him step by step.

*.... It is written, Man shall not live by bread alone, but by every word that proceedeth out of the mouth of God." Matt. 4:4*

Robert Casselman

## Joy Cooper

Durban, South Africa

In her early teens Joy accepted Jesus Christ as personal Saviour and rejoices not only in the glorious reality of that experience, but also in its continuing effect upon her life today. Her heart is also filled with praise to God for revival among the young people of her home Assembly in Durban during her formative years which established lives in Christ Jesus.

Youth Camp Conventions impressed the call of God upon her life. Thus, with God's will and plan so clearly revealed, she willingly responded, leaving her position as Computer Programmer to come to E. P. B. C.

Last year Joy was Secretary of the African Prayer Band in addition to representing her class on the Student Council. Through Bible College she has taken an active part in the Ensemble, Bible Clubs, Radio Choir, duets and trios as well as being Assistant Leader of the African Prayer Band and Social Convenor this year.

We are confident as she goes forth, wherever God leads, that He will continue to bless and use her in His service.

*"For me to live is Christ and to die is gain." (Philippians 1:21)*

## Robin Cruichank

Brighton, Ontario

Since his experience of salvation at eleven years of age, Robin has sensed the call of God upon his life. He considers Bible College "another of a long line of stepping stones" which led him closer to the fulfillment of God's call upon his life.

He enjoyed the experiences of College life where he took part in the orchestra, in visitation and Bible Club Work as well as various assignments. As Watchmen, all must admit we helped keep him busy as Sales Manager for the Book Nook for two and one-half years.

Robin is looking forward to using that which he has learned here in Bible College to work, together with his wife, for the Master wherever He should lead them in His great harvest field.

After being Leader of the Young People's Group in her home Church for a few years, Dot yielded to the call of God in her life which she felt from childhood. It is also interesting to know that she experienced salvation when only five years old and received the Baptism of the Holy Spirit five years later.

Prior to attending College, she completed High School and worked for a time as a Sales-clerk and Typist.

Music, Radio Choir and Street Evangelism were among her many interests at Bible College.

Dot expresses much appreciation for Christian parents who have helped to mould her life and as she completes her three years here, she leaves the future in the hands of God.

*"For to me to live is Christ and to die is gain."*  
*Philippians 1:21*

## Dorothy Deebank

Cornwall, Ontario

Rome, Italy was the home of our "Italian Friend," coming to Canada with her parents when fifteen years of age. She lived, for the past few years, in Montreal where she was employed with the Royal Bank of Canada and attended the Italian Pentecostal Church.

The desire to engage in the Lord's service resulted in the dedication of her life to God at a very early age. She extends to her parents, who made it possible for her to attend Bible College, a special word of thanks.

Singing in a Trio, the Ensemble and Radio Choir provided opportunities for Christian Service while in College. This past year she became Torch Treasurer, Secretary for the French Canada and European Prayer Band and Head of the Sunshine Committee.

As the Lord provides opportunities for Christian Service in the future, Pasquina plans to accept and fulfill them in His strength.

*"And God is able to make all grace abound toward you; that ye, always having all sufficiency in all things, may abound to every good work."*  
*(II Corinthians 9:8)*

## Pasquina DiMichele

Rome, Italy

## 9. Austin Gedcke

Owen Sound, Ontario

Austin came to College feeling "a distinct call of God" on his life, for the ministry of the Word and the winning of souls.

Both he and his wife, Marie, found these past three years were filled with "much activity and many happy moments."

Austin has participated in Bible Club Work, acted as Radio Announcer in his second year and, in this his graduating year, has commendably fulfilled the tremendous ministry and responsibility as Student Council President. In addition, he has had the privilege of being Pastor's Assistant at Calvary Church here in Peterborough.

He is thankful for the wonderful work of God's grace in his life, godly parents and a "lovely wife." His only desire as he plans to enter the Pastoral Field is, "to be used of God."

## Robert Gibb

Windsor, Ontario

By attending Braeside Youth Camp Bob came to the full realization of God's call upon his life though even as a teenager he was conscious of it.

A Christian home and the "rich practical experience" received in his home Church have meant a great deal to Bob.

After coming to College he continued his Christian witness as Pastor's Assistant in Lindsay, Ontario and as Director of Youth for Christ here in the City of Peterborough.

Bob has a special burden to reach teenagers with the Gospel of Christ and beyond Bible College, he and his wife expect God to guide them into full-time service.

*"I press toward the mark for the prize of the high calling of God in Christ Jesus."*  
Philippians 3:14

It is with a feeling of deep appreciation and thankfulness to God that David looks back to his childhood paying tribute to godly parents who brought him up to know God.

After completing high school and in response to the call of God upon his life, David came to Bible College where "God's Word has become very precious."

He not only served his classmates as a member of the Social Committee and Torch Recorder, but also the Community through his Christian witness in Bible Clubs and Radio Choir.

He desires to find his place of service in Pastoral Work or wherever God should lead, praying:

*"Have Thine own way, Lord; Have Thine own way;  
Thou art the Potter, I am the clay.  
Mold me and make me after Thy will,  
While I am waiting, yielded and still."*

## David Hennessy

Madoc, Ontario

A strong impression to enter the ministry was laid upon Guy's heart at the age of fifteen. As this impression intensified, he felt God directing him to E. P. B. C. where he could prepare for this great work. Thus, he entered Bible College after teaching school for one year at Port Hope Simpson, Labrador.

He has taken an active part in Christian Service through working in Bible Clubs and as Captain of the Door-to-Door Evangelism Groups. This year, he was Leader of the India and Asia Prayer Band.

Guy expects to minister in Newfoundland either in a pioneer work or in the Evangelistic field; his great desire being, "to serve my generation by the will of God - as David." His aim:

*"That I may know him and the power of his resurrection being made conformable unto his death." Philippians 3:10*

## Guy Hillier

Main Brook, Newfoundland

## Sterling Irvine

Campbellton, New Brunswick

## Stephen Johnstone

Lyttleton, New Brunswick

Stirling tells us that while residing in Toronto God began to deal with his life concerning the ministry; consequently, in responding to the call of God, He came to E. P. B. C.

He is especially thankful for the concern and prayers of godly parents as well as his wife's constant encouragement over the past three years.

Stirling has had the privilege this past year, as Radio Director, of ministering to the citizens of Peterborough and surrounding area.

As he looks to the future and the fields that are ripe for harvest, he goes, "with the words of Paul" upon his lips: "For me to live is Christ, and to die is gain." (Philippians 1:21)

Stephen had the privilege of being raised in a Pastor's home and of experiencing salvation while still very young. While maturing, Bible College became envisioned as a "dream" now fulfilled in coming to E. P. B. C.

In Christian Service, he gave himself to the ministry of music which proved a rich blessing to all. He utilized his talent as Ensemble Pianist faithfully for three years and Radio Pianist for two.

He is especially thankful for God's provision and for parents who were a real source of help and encouragement.

Stephen's plans are to enter the ministry as God leads.

*"I will praise thee: for thou hast heard me, and art become my salvation."*

*(Psa. 118:21)*

Born of Missionary Parents, Lindy had the opportunity of living in Argentina for ten years where she completed her secondary education. Following this, she came to Canada, attended Teacher's College and taught school for two years before coming to E. P. B. C.

The decision to come to Bible College for the study of God's Word resulted from attending a Youth Convention though she has always desired to be in the work of the Lord.

As Spanish Teacher, Editor of E. P. B. C. News and Student Council Representative (for one year), she maintained a busy schedule around the College. She also found a place of Christian Service in the Ensemble, Radio Choir and Bible Clubs as leader and secretary.

Lindy is especially thankful for parents "who spent much time on their knees on behalf of their children" as this has been one of the great influences upon her life.

*"I will instruct thee and teach thee in the way which thou shalt go: I will guide thee with mine eye." Psalm 32:8*

## Rosalind Kerr

Buenos Aires, Argentina

Ellen's great desire, even from a very early age, has been simply, "to be used of God." Ultimately, this calling led her to E. P. B. C. where she has prepared herself for service.

Before coming to College, she completed High School Commercial and was employed in various capacities along this line.

The many opportunities she has found for Christian Service have been through Bible Club Work and singing in a Trio, the Master's Melodaires and Radio Choir.

Ellen is especially thankful to God for His hand upon her life and for a Mother who faithfully took her to Sunday School as a young child. Her attitude toward the future - "Only to be what He wants me to be, every moment of every day."

*"But he knoweth the way that I take: when he hath tried me, I shall come forth as gold."*  
Job 23:10

## Ellen Knowlton

Oshawa, Ontario

## Gary Leavitt

Kingston, Ontario

Gary came to E. P. B. C. from his home Church in Kingston, Ontario although originally from Back Bay, N.B. He was employed as a Manager Trainee for Zellers Ltd. before coming to Bible College in response to the call of God upon his life.

During the past three years of Bible College he found opportunity for Christian witness through working in Bible Clubs.

In studying God's Word, he has come to realize more fully the revelation of God's love in sending Jesus Christ who, in spite of the fact that He was co-eternal, co-glorious, co-essential and co-equal with the Father, willingly condescended; took upon Himself the form of man, and became obedient unto death, even the death of the cross.

Gary's only desire is to be a channel of that love of God for men so freely given and this is his prayer:

*"Make me more like Thee, Jesus,  
Make me more like Thee;  
Give me a heart that's full of love  
And make me more like Thee."*

## Larry Little

Essex, Ontario

After completing grade thirteen, Larry entered E. P. B. C., all other doors being closed and feeling that this was where God would have him.

Larry not only sang in the Ensemble for two years but also showed a keen interest in sports being Captain of the Basketball Team for two years and head of all School sports for one year.

His enthusiasm as a Salesman was revealed during his two years as Torch Recorder and this past year as Sales Manager for the Torch.

Shortly after graduation he hopes to take a pastorate.

Larry's testimony may be summed up in this verse of Scripture:

*"For I am not ashamed of the gospel of Christ: for it is the power of God unto salvation to everyone that believeth;" Romans 1:16*

On August 30, 1963 David received his call to the Christian Ministry and the following year entered the portals of E.P.B.C. to acquire the training needed to carry out this Great Commission.

Not only has David sensed the call of God in this general sense, but also, a desire has been created within his heart and life "to serve God in reaching this North American Generation" in particular.

While at College he found a real avenue of Christian Service through working in the Curve Lake Bible Club. He also acted as Prayer Band Convenor this past year.

We pray God's blessing upon his ministry as he goes forth a "Watchman," ready to serve the Master wherever He should call.

## David Mallory

Grimsby, Ontario

The influence of his Father's life as Pastor and Evangelist together with the "strong call of God" upon his life to "portray the unsearchable riches of Christ," Ross began his training at Central Bible College.

After coming to E.P.B.C. he became active in many activities such as Bible Clubs, Speech and Debating Society, Curve Lake Work and Street Evangelism.

Ross very definitely feels that his call is to the Evangelistic Field, however, plans after graduation to further his studies at Central Bible College, "in order to be readily equipped to preach the realities of Christ."

*"Then I said, I will not make mention of him, nor speak any more in his name. But his word was in mine heart as a burning fire shut up in my bones, and I was weary with forbearing, and I could not contain."*

*Jeremiah 20:9*

## Joan Martin

St. John's, Newfoundland

While attending a Home Missions Rally at Camp Emmanuel in 1964 Joan felt the call of God to come to E.P.B.C. to prepare for the Master's Service.

At College, she found herself busy in Bible Club Work, on the Torch Staff, on the Illuminator Staff as Reporter as well as being chosen Secretary of the Speech and Debating Society. She was also Student Council Representative in her second year.

Joan is thankful for a godly heritage and the many members of God's Family who made it possible for her to attend College. She has proven during the past three years that "Christ is the Answer to my every need."

*"Lord give a vision, burning within,  
Of sinners dying, lost in their sin.  
We are commissioned JESUS to PREACH,  
I'll do MY PART - OTHERS to REACH."*

## Donald Powell

Napanee, Ontario

Communities for Christ of Napanee, Ontario through visitation and open air services had a stabilizing influence on Don's spiritual life. He also appreciated the help and understanding which he received from the Pastor of the Pentecostal Church of Napanee at that time. Today, he is very thankful for salvation, the Baptism of the Holy Spirit and for God's provision and opportunity to come to Bible College.

In order to come to College, it was necessary for Don to relinquish profitable employment as a pipe welder.

He contributed to the outreach program of the College through Street Evangelism and Bible Club Work. We may also add that he contributed much to class discussions from time to time.

We pray God's blessing upon him as he plans to enter the Evangelistic Field.

*"But my God shall supply all your need according to his riches in glory by Christ Jesus." Philippians 4:19*

Bill's experience of God's provision over the past three years reveals the glorious reality of this Scripture. The influence and assistance of godly parents is another blessing for which he is very thankful.

At College he was active in various Christian Service Activities particularly as Pastor of the Alderville Indian Work in his second year and as Bible Club Director in his final year.

This past summer he had the opportunity of ministering at Kennedy Road Tabernacle in Brampton, Ontario as Assistant Pastor.

Bill expects to enter the Pastoral Ministry and we pray God's blessing upon him and his family as they go forth into the harvest.

## William Prankard

Brampton, Ontario

Desiring to know more of God's Word and feeling the call of God upon her life Dona came to join the Watchmen Class of E. P. B. C. She also feels that the prayers and encouragement of her mother and others have influenced her decision to enter College.

For two years here at College she has been Leader of a Bible Club in addition to teaching Sunday School and helping out in her own home Church. This past year she was Secretary of the North American Indian and Eskimo Prayer Band.

Although she has no definite plans for the future, she is satisfied to know that the One Who holds the future will lead her in the path that she should take.

*"Trust in the Lord with all thine heart; and lean not unto thine own understanding. In all thy ways acknowledge Him, and He shall direct thy path." Proverbs 3:5-6*

## J. Roger Sauve

Capreol, Ontario

From early youth Roger planned to enter the Roman Catholic Priesthood; however at the age of sixteen his plans were altered. At this time, he was filled with the Holy Spirit and sensed the call of God to full time service.

He has been active in Christian Service through the Radio Choir, Watchmen's Quartet, Ensemble and in solo work. This past year he was Assistant Pastor at Whitby, Ontario as well as leader of the French Canada and European Prayer Band.

After graduation, his plans are to remain in Whitby for a time and then go north to Capreol where, "I know God wants me eventually to start a work for Him."

The calling and leading of God mean a great deal to Roger, so much so, that he would sing with the Psalmist:

*"O give thanks unto the Lord, for he is good, for his mercy endureth forever."*

*Psalm 107:1*

## Patricia Shipley

Cumberland, Maryland, U.S.A.

In order to prepare for God's service, Pat determined to come to Bible College after completing High School and attending Business College Night School for one year.

Pat experienced salvation and the call of God upon her life at the age of twelve. In coming to College she has seen God fulfill His promise "Jehovah-Jirah" time and again on her behalf.

In her first two years she served on the Student Council. In addition, she has had a variety of other interests including Torch Work, Radio Choir, Bible Clubs, Ensemble and Street Evangelism.

In future she plans "to serve God in any way He leads."

*"Commit thy way unto the Lord, trust also in Him and He shall bring it to pass."*

*Psalm 27:5*

John is thankful for a Christian heritage: that which he had as a result of being brought up in a Christian home and attending Church from early childhood. Above all, he is thankful for the keeping and protecting hand of God upon his life.

In response to the call of God, he came to Bible College where he took part in various Christian Service activities such as Solo Work, Quartet, Ensemble and Radio Choir. This past year he was chosen as leader of the South American Prayer Band.

While at College, he also took an active part in the Sports Program by playing on the Basketball, Hockey and Baseball Teams.

In the future, his desire is, "to do His will and walk in His path."

## John Shepherd

Kingston, Ontario

A desire to gain a deeper knowledge of the Word of God brought Flora to Bible College after working for three and one-half years at Goodyear and House Ltd.

Bible Clubs and Radio Choir were the activities she found particularly interesting and through which she was able to witness for Christ while in College. Also, last year, she acted as Prayer Band Secretary for the French Canada and European Prayer Band.

As she has counted it a privilege to attend E. P. B. C., so we count it a privilege to know she is one of our Watchmen Class.

Flora is seeking God's guidance for the future with this prayer upon her heart:

*"May my heart be broken with the things that would break the heart of the Christ."*

## Flora Simmonds

Bonne Bay, Newfoundland

Although Elaine was saved at a very early age, during her early teens the allurement of the world proved disastrous in her Christian experience. However, she testifies today that the Holy Spirit continued to deal with her until she committed her life to God at fifteen years of age. She also appreciates the influence of a godly mother and concerned Pastor who were instrumental in bringing her back to a renewed experience with God.

As Bible Club Leader and Co-Leader of Curve Lake W.M.C. she found opportunities for Christian Service while here at College. She was also a member of the Social Committee and played on the Basketball Team.

We pray God's blessing upon her as she goes forth to do His will.

*"Cause me to hear thy lovingkindness in the morning; for in thee do I trust: cause me to know the way wherein I should walk; for I lift up my soul unto thee." Psalm 143:8*

## Elaine Smith

Yarmouth, Nova Scotia

Murray has proven that through prayer God can give us direction and unfold His plan for our lives. After completing high school he secured employment but, in a short time, became dissatisfied and unhappy. As he sought the Lord in prayer, God's answer came directing him to E.P.B.C. to study His Word in preparation for full-time service.

His activities around College included managing the Tuck Shop for two years and working in the Lakefield Bible Club. He taught Sunday School at Frankford during his first and second years and this year assisted the Pastor at Tweed, Ontario.

Murray is thankful for the many godly influences upon his life; his great desire being to "prove faithful to the Lord and have many sheaves to lay at the Master's feet."

*".... seek ye first the kingdom of God, and his righteousness; and all these things shall be added unto you." Matthew 6:33*

## Murray Steacy

Stirling, Ontario

Knowing that God called him to be a Minister of His Word, Bill came to Bible College to prepare himself for such service.

His expression of thankfulness for God's work in his life over the past three years is one which many of us share. He has come to realize the limitlessness of God's mercy and love toward all mankind as demonstrated in his dealings with both the saved and the lost.

He took part in the College Outreach program through Street Evangelism and the Radio Broadcast.

Bill's only desire as he leaves E. P. B. C. is to be found "anywhere ministering in God's Sovereign Will."

*"We have an advocate with the father, Jesus Christ the righteous." I John 2:1*

## William Stevens Jr.

Sooke, British Columbia

Since childhood Don has been conscious of the call of God upon his life. He first attempted to fulfill this call by attending Toronto Teacher's College and teaching school for three years, however, this did not satisfy. As a result, he came to E. P. B. C. to prepare for full-time service.

Over the past three years he has taken part in many activities including Ensemble, Bible Club Work as well as representing his class on the Social Committee. This year he has been a very busy Watchman as Editor of the Torch and Head of Curve Lake Evangelism.

Don plans to enter full-time service immediately on the Home Missions Field.

*"How excellent is thy lovingkindness, O God! therefore the children of men put their trust under the shadow of thy wings."*

*"They shall be abundantly satisfied with the fatness of thy house; and thou shalt make them drink of the river of thy pleasures."*

*Psalms 36:7,8*

## Elaine Sullivan

Yarmouth, Nova Scotia

"Jesus Christ, the same yesterday, today, and forever" -- this, in reality, is the substance of Elaine's testimony.

Christ was uplifted in her home and consequently she was saved while still very young. Since then, she has had a deep conviction of God's guidance and direction in her life.

Elaine came to College to study more of God's Word after working as a stenographer with the Nova Scotia Light and Power in Yarmouth, Nova Scotia.

Over the past three years she worked in Bible Clubs and, this year, was chosen Secretary for the Torch.

She is undecided about the future but desires to work for the Lord. Her devotion is summed up in the words of the chorus:

*"My Jesus I love Thee, I love Thee, I do,  
With all of my heart and my soul  
For Thou hast redeemed me and made me whole  
My Jesus I love Thee, I do."*

Christian parents, Sunday School Teachers and Pastors; all have had a tremendous influence on Val's life while a deep desire to be used of God brought Valerie to Bible College to equip herself for such service.

She has been very conscious of God's leading and guiding in her life ever since accepting Christ as her Saviour when seven years of age. She pays special tribute to her Christian parents for their prayers and guidance.

Her many activities at College included Bible Club, Radio Choir, Trios and the Master's Melodaires as well as working on the Torch.

Val's main desire is to be "what He wants me to be, every moment of every day."

*"When thou passest through the waters, I will be with thee; and through the rivers, they shall not overflow thee: when thou walkest through the fire, thou shalt not be burned; neither shall the flame kindle upon thee."*

*Isaiah 43:2*

## Valerie Thorne

New Glasgow, Nova Scotia

God's leading since the age of sixteen brought Ken to College after completion of grade thirteen.

He contributed to the College Outreach Program by using his vocal talent as a Soloist in addition to singing in the Ensemble and with the Ambassadors Trio who travelled extensively in Eastern Canada this past summer. He was a member of the Debating Society, played Baseball and Hockey and served on the Student Council for two years being Vice-President this year.

In Ken's own words, "These have been three blessed years of exposure to spiritual truth as revealed in Scripture. The program of studies and activities not only unveiled the Gospel of God in glorious fulness but also encouraged me to appropriate and assimilate the truths of personal fulfillment in Jesus Christ." He is confident that as he has experienced within his heart God's Word acting as His searchlight for spiritual scrutiny, so it will become his Sword to command the victories necessary for triumphant Christian living.

The fulfillment of God's plan and purpose in Ken's life will take him on to University for further education.

## Ken Wallace

Windsor, Ontario

Certain of God's call upon her life at fourteen years of age, attending Bible College became her life's ambition. She was further influenced to come to E.P.B.C. as a result of trips made by the College Ensemble to her home Assembly.

Before coming to College she completed high school and was employed for a time by the Metropolitan Life Insurance Company.

Singing in the Ensemble, Radio Choir and Trios provided her with many opportunities for Christian Service while in College. In addition, was Associate Leader of the W.M.C. at Curve Lake this past year. She represented her class on the Social Committee and Sports Committee this year as well.

Going forth to serve the Lord, she puts the future "in His hands."

*"And as it is appointed unto men once to die, but after this the judgment: So Christ was once offered to bear the sins of many; and unto them that look for him shall he appear the second time without sin unto salvation."*

## Barbara Warkentin

## John Wheeler

Snow Road, Ontario

John completed high school and undertook to operate a lumber business on his own; however, before very long, found his way to E.P.B.C. to prepare for full-time Christian Service.

In College he worked faithfully in Bible Clubs, participated in the Radio Choir and was engaged occasionally with weekend speaking assignments.

As he goes forth to labour for the Master he desires to enter the Evangelistic Field.

*"The Spirit of the Lord is upon me, because he hath anointed me to preach the gospel to the poor; he hath sent me to heal the brokenhearted, to preach deliverance to the captives, and recovering of sight to the blind, to set at liberty them that are bruised."*

Luke 4:18

## June Wristen

Montreal, Quebec

The desire to serve the Lord in a full-time capacity was impressed upon June's heart ever since she received the Baptism of the Holy Spirit. As a result, she became dissatisfied with her office employment and finally came to E.P.B.C. where the Lord miraculously supplied her way to College each year.

One thing we know about June is that she loves to sing and here at College she was able to use this talent in various Christian Service Activities such as Solos, Trios, the Master's Melodaires, Radio Choir and Ensemble. In addition she worked in Bible Clubs.

She was also an eager participant in Basketball Games in connection with the Sports Program.

For all of the future, she puts her trust in the Lord, "For He that has led me thus far will not leave me."

*"For this God is our God for ever and ever: he will be our guide even unto death."* Psalm 48:14

Our Honorary Class Member, Rev. McNutt, entered E. P. B. C. with the Watchmen to take up his position as Lecturer and Dean of Men in the College.

During the past three years, the Watchmen Class has certainly appreciated his good words of advice from time to time in regard to class activities. Also, his life of dedication to God has been an inspiration to all.

We trust, in years to come, that he will retain fond memories of the Watchmen Class, particularly on the occasion of our Sneak Weekend when we enjoyed a time of rich fellowship together.

May his life continue to be a rich blessing to others.

## Rev. E. G. McNutt

Titus was born in Malaysia and received Jesus Christ as Saviour in his late teens. Seeing the great need of his own people, Titus began his preparation for full-time Christian Service by attending Ecclesia Bible Institute in Hong Kong. For the past two years Titus has been engaged in post-graduate studies here at E. P. B. C.

His ability to minister in song was most appreciated. Titus used this talent in Christian Service as he travelled on assignments from place to place during his stay in College.

Titus plans to return to Hong Kong and teach in Bible School there. His knowledge of several languages and dialects will adequately fit him to interpret and translate as the need arises.

We pray that God will bless and greatly use him on his return to the Orient.

*"But ye, beloved, building up yourselves on your most holy faith, praying in the Holy Ghost,*

*Keep yourselves in the love of God, looking for the mercy of our Lord Jesus Christ unto eternal life."*

*Jude 20, 21*

# WATCHMEN !

Watching for the souls of men, For He's coming back again  
Waiting and watching and doing His will  
Our Christ is coming soon.  
Blessed are they whom the Lord finds watching,  
When He comes back to earth again.  
Watchmen, What of the night? Watchmen, what of the night?  
Souls are in despair, How much do we care,  
How will we answer the Lord?

Let us take up the cross of the Lord, take up the cross of the Lord.  
Go forth into the highways, and byways of life  
Compel the lost to come in,  
In that hour when He cometh, will He find so few  
Tenderly seeking for a heart that is true.  
Watchmen of the world, Watchmen of the world,  
Compel the lost to come in, Compel the lost to come in  
For in that hour when He cometh will He find us faithful to Him.

We are Watchmen, with a royal calling from the Lord above.  
We are Watchmen, set aflame in power to fulfill our work of love.  
We are Watchmen, to proclaim God's Word in times of storm and strife.  
We are Watchmen, so that all may know the way, the truth, the life.

Jesus Christ the Life!

## CLASS PROJECT

The WATCHMEN class has undertaken to remodel and redecorate the third year classroom. The ceiling has been tiled, the front of the classroom panelled, and a new blackboard installed. Drapes for the windows, an air conditioner, and painting are yet to be completed.

May these added improvements be enjoyed by the graduates of years to come.

#### EMISSARY CHORUS

GEORGE WRIGHT  
Oshawa, Ontario

Here am I, Lord,  
Send me,  
Ready now to work for Thee;  
I want to be your Emissary  
So -- Here am I, Lord, Send me.

Millions are dying, lost in sin,  
Help me, Lord, their souls to win  
Through the clouds you will come again  
The time is drawing nigh,

Here am I Lord,  
Send me  
Ready now to work for Thee;  
I want to be your Emissary  
So -- Here am I, Lord, Send me.

# Farewell Rev. Ewald

It is with deep regret and great reluctance that we of the Emissary Class say good-bye to our honourary class member, Rev. George R. Ewald: and not only we, but also the entire student body, the faculty, and all those who have come under his influence will be conscious of the vacancy he will leave here at Eastern Pentecostal Bible College.

Mr. Ewald first came to E. P. B. C. in the fall of 1951 after completing one year at Wheaton College. His two-year course saw him graduate in 1953. After pastoring at Tweed, then Deseronto, he returned to Wheaton and graduated with a B.A. degree majoring in Bible. He then pastored in Lennoxville, and in 1962, returned to Eastern Pentecostal Bible College as a lecturer.

Every student has since been influenced by his unique conversational style of teaching throughout his many subjects, including Old and New Testament, Acts, Introduction to Christian Education, Personal Work, Church History I & II, Bible History and Geography, Prophets, Wisdom Literature and Christian Evidences.

In spite of Mr. Ewald's busy schedule as member of the Eastern Ontario executive, Director of Men's Fellowship and Evangelism, not to mention his role as a husband, and father of two, he has never been too busy to take time out to offer a kindly word of wisdom and guidance to the many students who were attracted by his obvious life of prayer and sincere concern on their behalf.

Now, as he has felt God's call to resume the role of pastor, this time in Kingston, Ontario, we bid him and his family God's richest blessing. Truly we are justly proud to have had Rev. George R. Ewald as our Honourary Emissary -- a man whose godly influence will not be easily forgotten.

# PATTERN OF PRAYER

JOHN KERR - FRESHMAN CLASS

Prayer is the highest activity of the human soul. It has nothing in common with the popular concept of a light, religious exercise to be practiced in childhood, with reverent words and clasped hands, or a series of rapid petitions accompanying a habitual genuflexion at the close of the day. It is a struggle. Coleridge revealed some insight into the matter when he said: "The act of praying is the very highest energy of which the human mind is capable; praying, that is, with the total concentration of the faculties. The great mass of worldly men and of learned men are absolutely incapable of prayer." The disciples were aware of the struggle and their own ineffectiveness in prayer when they said, "Lord, teach us to pray." He replied, "After this manner pray ye.", and proceeded to give them, and all Christians, a pattern of prayer.

The "Lord's Prayer" is our pattern. It is a skeleton to be clothed, an outline to be expounded upon. Containing an invocation, six petitions and a final note of praise, it was a completeness which is matched by few more extensive prayers.

In the words, "Our Father which art in heaven," there is an immediate awareness of the believer's position as a child of God, subject to the will of He whose very essence is Love, He who is many times more ready to bless than we are to receive His blessing. A moment of recollection as we utter these words, wherein we are made aware of our position before God through Christ, may well be the key to access. "Be not rash with thy mouth, and let not thine heart be hasty to utter any thing before God: for God is in Heaven and thou upon earth.", (Ecc. 5:2)

The fact that the first three petitions contain the word "thy" indicates that God should be foremost in our minds when we pray. Primarily, we are extolling the virtues of God. "Hallowed be thy name." All the attributes of God are entailed when we refer to his "name." We are in fact, hallowing Jehovah, "the self-existent One," Jehovah-jireh (the Lord will provide), Jehovah-rapha (the Lord that healeth), Jehovah-nissi (the Lord our Banner), Jehovah-shalom (the Lord our Peace), Jehovah-ra-ah (the Lord our Shepherd), Jehovah-tsidkenu (the Lord our Righteousness), Jehovah-shammah (the Lord is present). Considering, thus, the all-encompassing nature of God, we cannot help but approach him with "reverence and godly fear."

In order to pray effectively, the believer must be conscious of the imminent return of Jesus Christ. It adds a depth of urgency to his pleas. It leads to introspection, a thorough soul-searching in the light of eternal values which scrutinizes the thoughts and examines motives, rooting out those things which issue from the heart and separate men from God. Only with this awareness can we honestly pray, "Thy kingdom come."

There comes a reassurance to the believer in praying, "Thy will be done in earth as it is in heaven.", in the knowledge that the Lord of heaven and earth overrules in the affairs of men, allowing to transpire on earth only that which will serve to bring about his perfect will. Personal submission is also involved. The will of God becomes foremost. All our petitions become subject to it when we pray, "Thy will be done."

"Daily bread" may be taken to cover material necessities. Here the order is significant, "our daily bread" following immediately after "thy kingdom" and "thy will." The indication is that our needs are not overlooked in the majestic plan of God but rather, we hear the words of Jesus, ".... your Heavenly Father knoweth that ye have need of all these things." Our needs and His will are closely linked. In such a petition we are simply acknowledging our utter dependence upon Him for the necessities of life, the dependence of a flock upon a Shepherd, and we have the Lord's consoling words: "Fear not, little flock; for it is your Father's good pleasure to give you the kingdom." Not only our "daily bread," but far more! "A treasure in the Heavens that faileth not."

Acknowledgement of sin is a vital part of prayer. "If we say we have no sin we deceive ourselves and the truth is not in us." (I John 1:8) However, our forgiveness is rather dependent upon our diligence in forgiving our debtors. Rather, as in the parable of the unmerciful steward, proof of true forgiveness may be found in a forgiving spirit. The result of being forgiven should be a willingness to forgive.

Finally, a petition to be preserved from temptation and delivered from evil. It should not be regarded as a request to be spared testing. It is simply a petition, subject to the will of God, to be delivered from any trial which would cause one to fall. We have the assurance that our Father will not lead us into temptation, "above that we are able."

The closing words contain the heart of the prayer: "For thine is the kingdom, and the power, and the glory, forever." When through this pattern we are made aware of his prevailing will and omnipotence, we may then catch a glimpse of our position as his children. Thus, in this relationship between Father and Son lies the pattern of prayer.

# PRIVILEGE OF PRAYER

IRVING WHITT - JUNIOR CLASS

With wavering step and pounding heart a young man walked up to the door of a huge palace, his visage beaded with perspiration. It was different from an ordinary palace; the very adornment and splendour of this palace made one feel very small and unworthy of even entering. This man, however, had a conflict raging in his innermost being -- a need must be met; no other man could meet this need. With fear and trembling he opened the door to the palace. Facing him was a long brilliant corridor. The door to the throne room was at the end. He started toward the end door with many fears trying to hold him back; confusion mounting. -- "I must get this need met; I wonder if He will accept me into His presence; am I worthy of getting this done; can I really trust this king?" -- Such turmoil filled his mind. Now the door was directly in front of him; the final step had to be made. Shakily he put his hand on the knob and turned it. The door opened. There was the King sitting on the throne. What did he see? It couldn't be true!

With arms wide open the King of Kings was waiting to receive this man. He spoke -- "Come boldly unto the throne of grace, that you may obtain mercy and find grace to help in time of need." "For my God (Father) shall supply all your need according to all His riches by me." What a surprise awaited this man. He had found that this King was very anxious to meet him and very solicitous to meet his every need.

One writer has made a statement and it is very true. "Christ is more eager to receive His children and to meet their every need than we are to accept what He has to offer." Just what does it mean to "come boldly unto the throne of grace"? Matthew Henry in explaining how we should fearlessly face this throne states: "We are to come with reverence and godly fear, but not with terror and amazement; not as if we were dragged before the tribune of justice, but as kindly invited to the mercy-seat where grace reigns and loves to exert and exalt itself toward us. Christ is not only King, but His office as High Priest should be the ground of our confidence in all our approaches to the throne of grace." We are assured of Christ's intercessory power. Yes, Christ the High Priest! What beauty, what contentment is found in this phrase!

We need not fear for tomorrow if we heed His invitation, "IF WE BUT COME TO HIM." It is of paramount importance that we come to Him. Upon recognizing our great need, we come before Him in all humility of spirit, seeking His help, believing His promises. We read in Matthew (21:28), "And ALL things, whatsoever ye shall ASK in prayer believing ye shall receive." God knows our every need and desire but He expects us to approach Him and ask Him to meet the need. He delights in seeing His children come before Him through prayer and is then more willing to give than we are to receive.

Many times the burden of our heart becomes heavy. We feel we hardly know how to pray or what we should actually pray for. However, we read this wonderful promise in Romans (8:26); "Likewise the Spirit also helpeth our infirmities; for we know not what we should pray for as we ought, but the Spirit itself maketh intercession for us with groanings which cannot be uttered." Thank God for the privilege of "praying in the Spirit." We can lighten our hearts, edify ourselves and glorify God through this supernatural way of access unto God.

When we think of how many today carry the burdens and cares of this world, we can praise God that we are able to "cast all our care upon Him knowing He careth for us." Let us

then compare our privilege of casting our cares upon Christ with the sinner's method of alleviating his burden and woe. We know that man, in his sinful state, is separated from God and cannot approach Him. In Luke (16:19), we have the story of the rich man who died and went to Hell. He pleaded for help and restitution. What did Abraham say? In verse 26, we read: "And beside all this, between us and you there is a great gulf fixed." There is a great gulf between the sinner and God. The only prayer God will answer is that of the penitent sinner who seeks salvation through Christ. Outside Christ, the sinner must bear his heavy burden, carry his heavy heartaches, and try to guide his own life.

However, we as Christians have been drawn unto Christ and adopted into His great family. We can ask for our rights as sons and without fear approach the Father through His Son. In Romans (8:16, 17) we read; "The Spirit itself beareth witness with our spirit that we are the children of God, and if children, then heirs of God, and joint heirs with Christ."

As sons, we are not cut off from God, but we can come before the Father, knowing He will supply all our needs. We can claim the promise found in I John (5:14, 15); "And this is the confidence that we have in Him, that if we ask anything according to His will He heareth us, and if we know that He hears us, we know that we have the petitions that we desired of Him."

Let us pray "without ceasing," claiming our rights as Christians, knowing if we pray "according to His will, He heareth us."

# PRACTICE OF PRAYER

JOAN MARTIN - SENIOR CLASS

*"Watch . . . and pray always, that ye may be accounted worthy to escape all these things that shall come to pass, and to stand before the Son of God." (Luke 21:36)*

These were the words of Jesus to His disciples, words of warning and admonition in view of His imminent return when He would come "in flaming fire taking vengeance on them that know not God . . ." (II Thessalonians 1:8) Doubtless, we are living on the very threshold of His Second Coming and we ought to take heed, as never before, to the command of the Master: "Watch and Pray." In other words, we must be engaged in this business of the practice of prayer.

Jesus not only commanded His disciples to pray but also furnished them with a perfect example in His own life of prayer. If He Himself, found it necessary to meet with God in prayer, how much more should we be found in blessed communion with God.

There is further reason to practise prayer when we consider that prayer to God is the noblest exercise, the loftiest effort of man, the most real thing. Prayer is the lifeline of a Christian, the vital contact between the Creator and the created. Prayer is a spiritual work and our human nature rebels against taxing spiritual work. Human nature would like to just sail to heaven, as it were, under a favouring breeze on a full smooth sea. Prayer is a humbling work: it abases intellect and pride, crucifies vain glory, and signs our spiritual bankruptcy and all of these are hard for flesh and blood to bear. It is easier not to pray than to bear them - so, we are faced with one of the crying evils of all times, little or no praying.

We must also realize that the character of our praying will determine the character of our lives. No learning can make up for the failure to pray. No earnestness, no diligence, no study, no gifts will ever supply its lack.

The praying which gives colour and bent to one's character is no pleasant, hurried pastime. It must enter as strongly into the heart and life as Christ's did who prayed with "strong crying and tears." (Hebrews 5:7) It must draw out the soul into an agony of desire as the Apostle Paul's did; must be an inwrought fire and force like the "effectual fervent prayer" of James, must be of that quality which, when put into the golden censer and incensed before God, works mighty spiritual throws and revolutions.

It does not mean the "CLOSET" absorbed amongst the routine of daily activities, but it does mean the "CLOSET" FIRST; activities second.

*"When thou prayest, enter into thy closet . . . and pray to thy Father who is in secret." (Matthew 6:6)*

Yes, prayer is not just a little habit pinned unto us while we are tied to our mother's apron strings; neither is it a little decent quarter of a minute's grace said over an hour's dinner; but it is the most serious work of our most serious years.

Prayer is not petty duty, but in a corner, no piecemeal performance made out of the fragments of time which have been snatched from business and other engagements of life: but, it means the BEST OF OUR TIME - the heart of our time and strength must be given. We only have to look again to the example of Christ whose custom was to pray much. The Bible records of how He often rose early to pray in spite of physical exhaustion the day before and of spending whole nights in prayer after a day of great victory and blessing.

The Apostle Paul, following the example of Christ, prayed day and night and in writing, under the inspiration of the Holy Spirit, exhorted the believers at Thessalonica to pray "without ceasing."

Even in the Old Testament we have many examples of men who maintained the practice of prayer and this practice required time. The Psalmist David prayed morning, noon and night and was well portraited for it. The Prophet Daniel took time from very important duties to pray three times daily.

And, more recently, we have the testimony of Martin Luther who said: "If I fail to spend two hours in prayer each morning, the devil gets the victory through the day. I have so much business I cannot get on without spending three hours daily in prayer."

Salvation never finds its way into a prayerless heart. The Holy Spirit never abides in a prayerless spirit. Preaching never edifies a prayerless soul nor can the Gospel be extended by a prayerless preacher. All who are engaged in the work of God would do well to realize that talking to men for God is a great thing:- but talking to God for men is greater still. A person will never talk well, and with real success to men for God who has not learned well how to talk to God for men.

Time is running out, the King of Kings is coming soon, yet millions still in sin are lost and dying. "Put the saints everywhere to praying" was the burden of the Apostolic effort and the key note of Apostolic success. Jesus Christ, moved by infinite compassion at the ripened fields of earth perishing for lack of labourers, pauses in His own praying and tries to awaken the sensibilities of His disciples to the duty of prayer as He charges them to "Pray ye the Lord of Harvest that He will send forth labourers into His Harvest." Let us take heed in these days to "Watch and Pray" for Jesus declares that MEN OUGHT ALWAYS TO PRAY AND NOT TO FAINT.

Let us, as Children of God looking for that Blessed Hope, the Coming of our Lord and Saviour, Jesus Christ; PRACTISE PRAYER.

"Gird Thine Heavenly Armour on  
Wear it every night and day  
Ambushed lies the Evil One  
WATCH and PRAY.

## LIVING IN TWO WORLDS

I read in Philippians 1:1, "Paul and Timotheus, the servants of Jesus Christ, to all the saints in Christ Jesus." I read again in Romans 1:7, "To all that be in Rome, beloved of God, called to be saints." This is our calling. God has called us to be saints - saints not perfect but saintly, saintlike, Christianlike; not a sinner. If we are not a saint down here, we'll never be a saint after we die. We must live in two worlds as Paul says, "let your conversation be in heaven."

Paul caught a revelation of our heavenly place in Christ Jesus in Ephesians, Colossians and Philippians where he tells us, "we sit together in heavenly places in Christ Jesus." He says, "let your conversation be in heaven." We must learn how to put the right emphasis on each thing, how to have our feet on the earth and our hands in the hand of the Lord Jesus Christ. To make the proper evaluation of things that differ and things that count - this is what God expects us to do. It isn't so easy to do in these days of pressures, demands and responsibilities that are upon us. Just pressures of daily living, sometimes pressures even of a little compromise; pressures of many things that press us into a corner; pressures of all kinds of things that would keep us involved too much with this world. Thus, we neglect the fact that we live in heavenly places; that our lives should be "in Christ in God" and the power of the Spirit should be upon us for we walk in this world as emmisaries of the Lord Jesus Christ, called of God, saints of the living God - that's our position, not tied up with what the world has but our vision on the things of eternity, "counting all things but loss that we might win Christ."

In spite of pressures, responsibilities and the demands that are made upon us today, God makes no fewer demands and does not lift any responsibility from us in our dedication and in our lives of holiness and purity before Him. He doesn't say, this is a day of pressure, this is a day of responsibility, this is a day of committees, this is a day of worldliness; therefore I am going to take a little bit of the responsibility from you and let you live a little easier, a little more carnally, a little more unto this world - He doesn't say that; He still says that we're saints, that we are seated with Christ and our citizenship is in heaven. Let us put our evaluation on the things that really matter.

The Word of God gives us some very fine illustrations along this line. I think of Abraham who walked in this old earth, in walled cities among a hostile nation realizing that God had promised his seed the very country in which he was walking. Abraham didn't look down at these walled cities and at the heathen nations that were controlling them. We are told that Abraham was looking for a city whose builder and foundation was God. He set his sights high and he left them there. In Scripture he is called the Friend of God and the Father of the Faithful. It was this type of dedication that made him stand at the parting of the way and say to Lot, "Lot, if you want to, take the well-watered plains of Mamre and I shall take what's left." And, when he got through making his decision, God said to him, "Abraham, look up at the sky and count the stars." Abraham said, "I can't, they're too much for me" and God said, "That's what I'm going to make your seed Abraham." Let them choose the world, let them choose the well-watered plains, your seed will still inhabit the earth. Hallelujah!

I think of Moses who turned his eyes away from the throne of Pharaoh with all its pomp and position and wealth. Why did Moses turn his back upon the throne of Pharaoh? Why didn't he court old Pharaoh? Why didn't he say, I'm going to try to do a little bit of both? The Word of God says: "He had respect unto the recompense of the reward and this is why he didn't do it. Both he and Abraham saw the things that were invisible far more clearly than they saw the things visible with their natural eyes.

The things that we see, the things that we can get a hold of as far as this old world is concerned; these are the things that dominate our lives so many times. These are the things that influence us in our decisions rather than having our decisions influenced by the things that we do not see with natural vision. Very often, we would make different types of decisions if we but lifted our eyes and took the telescope of faith looked at Christ, recognized our position - and saw the things that were invisible far more clearly than the things we see down here.

Jesus realized that men and women had to live in two worlds. Remember when some of the Pharisees came to Him and said, "Here is a coin, who shall we give it to, Caesar or God?" Jesus said, "Render unto Caesar the things that are Caesar's and unto God the things that are God's." This is what we must learn to do and make a difference between the things that are Caesar's, the things that are the world's, and the things that are God's.

In John 17:14 I read where Jesus Christ was praying for his disciples and He puts them in quite a position. He says, "... they are not of this world even as I am not of this world." He has never changed that. Sometimes, I am sure, when He looks and when He hears some of his followers, He must think that they think that plan has changed and that prayer has changed but it never has been changed. We live in two worlds, yet we cannot let the two worlds dominate us for our future life and ministry will depend on the world that dominates you and me. If you are dominated by the ambitions and fleshly carnal desires of this world, your ministry is going to be fleshly and carnal and fruitless; therefore you must realize this and set your goal to see what world is going to dominate you, to see what kind of ministry you are going to have.

The pull upward must be stronger than the pull downward. One of the greatest problems of the Scientist a few short years ago when he began to put a capsule into space was to get the thruster strong enough to put that capsule into space away from the pull of this old earth. What they were looking for was an instrument that had thrust enough to get the capsule out in space and going before it would tumble back to earth and burn up. Many of us have sat and watched as this lovely silver coned thing sped up and on and on and on when, all at once, we heard the Scientist or Newscaster say, "It is all okay, it is now into orbit and it is rotating." It was away from the pull of this old earth, and the astronauts saw beauties they had never seen before. They sent back word and said, "It is glorious! it is wonderful! we have never seen anything like this before." I'd like to tell that fellow I have a Thrust like that. I remember when God began to pour in His mighty Spirit and I'd been so tied; I didn't have any liberty; I was so stiffnecked by pride and my denomination that told me all I needed to do was take it by faith and I had it; I was so tired of all this. All at once, the mighty power of the Holy Ghost descended upon my soul and I felt myself rising into a new realm that I had never sensed before. I felt the power of the Holy Ghost upon my life. I felt myself soar into the heavenlies; I saw things that my lips could not say; I saw beauties that natural man could not understand and I heard myself speaking in a lovely language that I had never learned; it was the language of space; it was the language of heaven; it was the language of the Glory of God! Hallelujah! - The Glory of His Power, the Glory of His Presence, the Glory of the infilling of the Holy Ghost.

I fear that we let the pull of the world around us hinder us from the power and the liberty of the Holy Ghost working and operating in our hearts and lives today. We pay too little attention to spiritual refueling and find we do not have enough power to lift ourselves from the demands of the flesh and carnality of the world today.

Living in two worlds is quite a responsibility: let us see that we give all of our attention to spiritual values; let us have our absolutes and our standards of righteous living, our doctrine and the anointing and power of the Holy Ghost. Let's learn to conduct ourselves in two worlds.

Mrs. Ralph Rutledge

Welcome Watchmen!

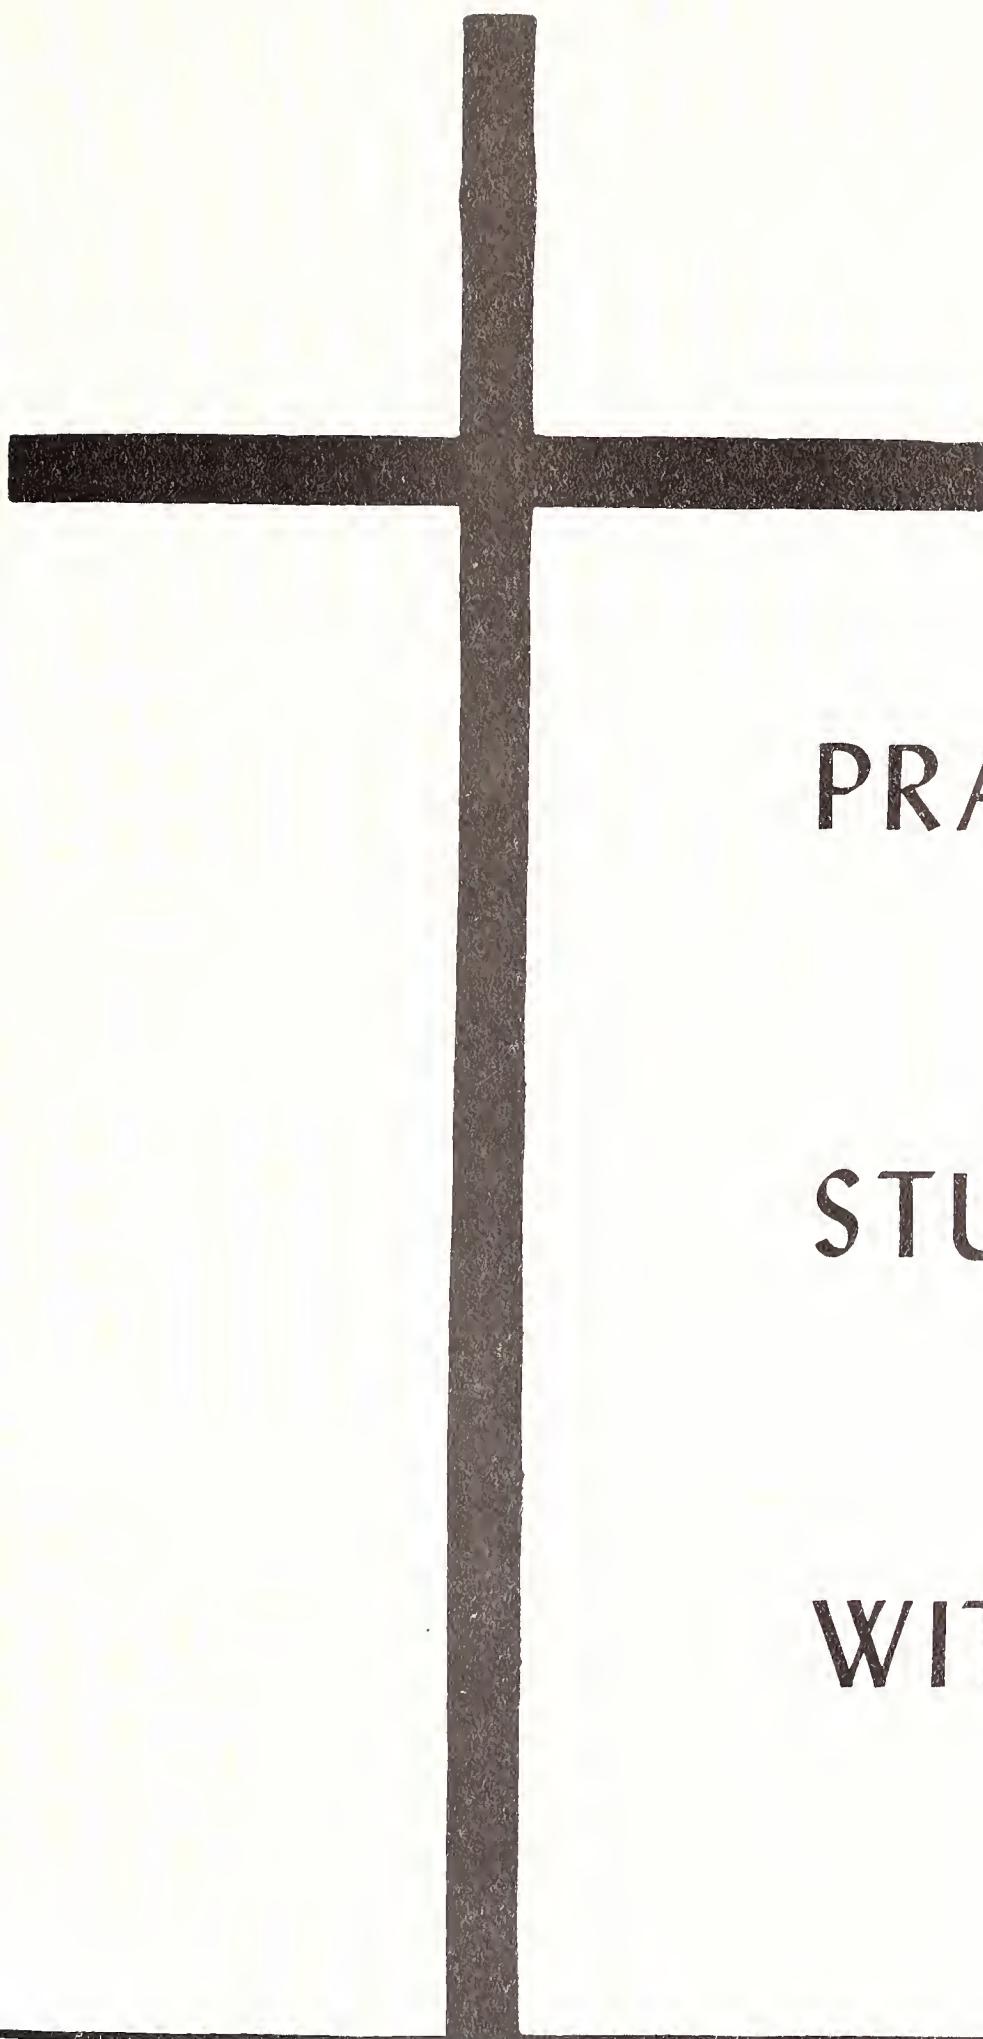

"As labourers together with God," we welcome you into the fellowship of the Eastern Pentecostal Bible College Alumni.

In a day of moral decline and rising apostasy we need Watchmen; young men and women who are loyal to the Word of God and committed to Jesus Christ.

As you enter a life of Christian service, may you do so with a sense of direction and purpose born out of a conviction regarding God's will for your life. It is not enough to say, "I will go." Like Paul the Apostle, your conviction must be, "Woe is unto me, if I preach not the Gospel."

As you join the Alumni Association, our prayer is, "Lord, make them truly Watchmen, Sentinels, posted at Thy command and in the place of Thy choice. May they be alert to the tactics and strategy of enemy; watching over the flock of God, over which the Holy Ghost hath made them overseers. Keep them faithful, steadfast, unmovable, always abounding in the work of God. Grant that, at that day, when they stand in Thy presence they may hear, "Well done, thou good and faithful Watchmen, enter thou into the joys of thy Lord.' " Amen.

Thus we join in wishing you, the Centennial Grads of '67, God's best in your labours for Him and a hearty welcome to the Alumni.

## Christian Service

A training college for ministers and Christian workers must have an aggressive outreach programme. Eastern Pentecostal Bible College is continually moving forward in this direction. Since 1951 when the College moved to Peterborough, there has been a continual development of the Christian Service Department.

Each Sunday morning the Student Broadcast entitled, "Truth Aflame," is released. Almost 50 students are involved in the radio choir and its direction. For many years now this radio broadcast, originating from the College Campus, has been a source of inspiration and challenge to the people of Peterborough County.

The Millbrook Reformatory located about 30 miles from Peterborough often requests, through its chaplin, the services of students to minister to the prisoners.

The College Ensemble involving 30 students visits on an average of 21 churches each year.

There are 13 Bible Clubs located in the City in which 60 students are engaged.

The Curve Lake Indian Reservation has a student pastor with a group of students holding services every week.

In any given year of college life upwards to 100 churches are visited by faculty members and student teams.

During the first semester of the 1966 school year over 90 were saved and 8 received the baptism in the various meetings. 172 services were held.

This past year 4 new homes for the aged have been opened to the students for Christian Service. Students go to these homes and conduct a church service each week.

Another new feature this year has been our visitation evangelism. Between 90 and 100 of our students have been involved in this new programme of outreach. In this visitation evangelism students are involved in street meetings, door to door visitation and tract distribution. This has been one of our most successful years in the Christian Service Department.

# CENTENNIAL EVANGELISTIC CRUSADES

During the first month of Canada's Centennial year, E.P.B.C. launched a new field of evangelism with special Crusades held in the Churches of the Peterborough area.

Members of the Graduating Class acted as Centennial Evangelists for the Crusades. The preaching of the Word of God night after night made an impact upon those who attended the meetings. Many received Christ as their own personal Saviour and needs were met in hearts and lives as they responded to the Spirit of God.

It is our desire that similar Crusades be conducted in future with more Churches sponsoring this new outreach of evangelism.

*Teach me to pray, Lord, teach me to pray;  
This is my heart cry day unto day;  
I long to know Thy will and Thy way;  
Teach me to pray, Lord, teach me to pray.*

*Power in prayer, Lord, power in prayer,  
Here mid earth's sin and sorrow and care;  
Men lost and dying, souls in despair:  
O give me power, power in prayer!*

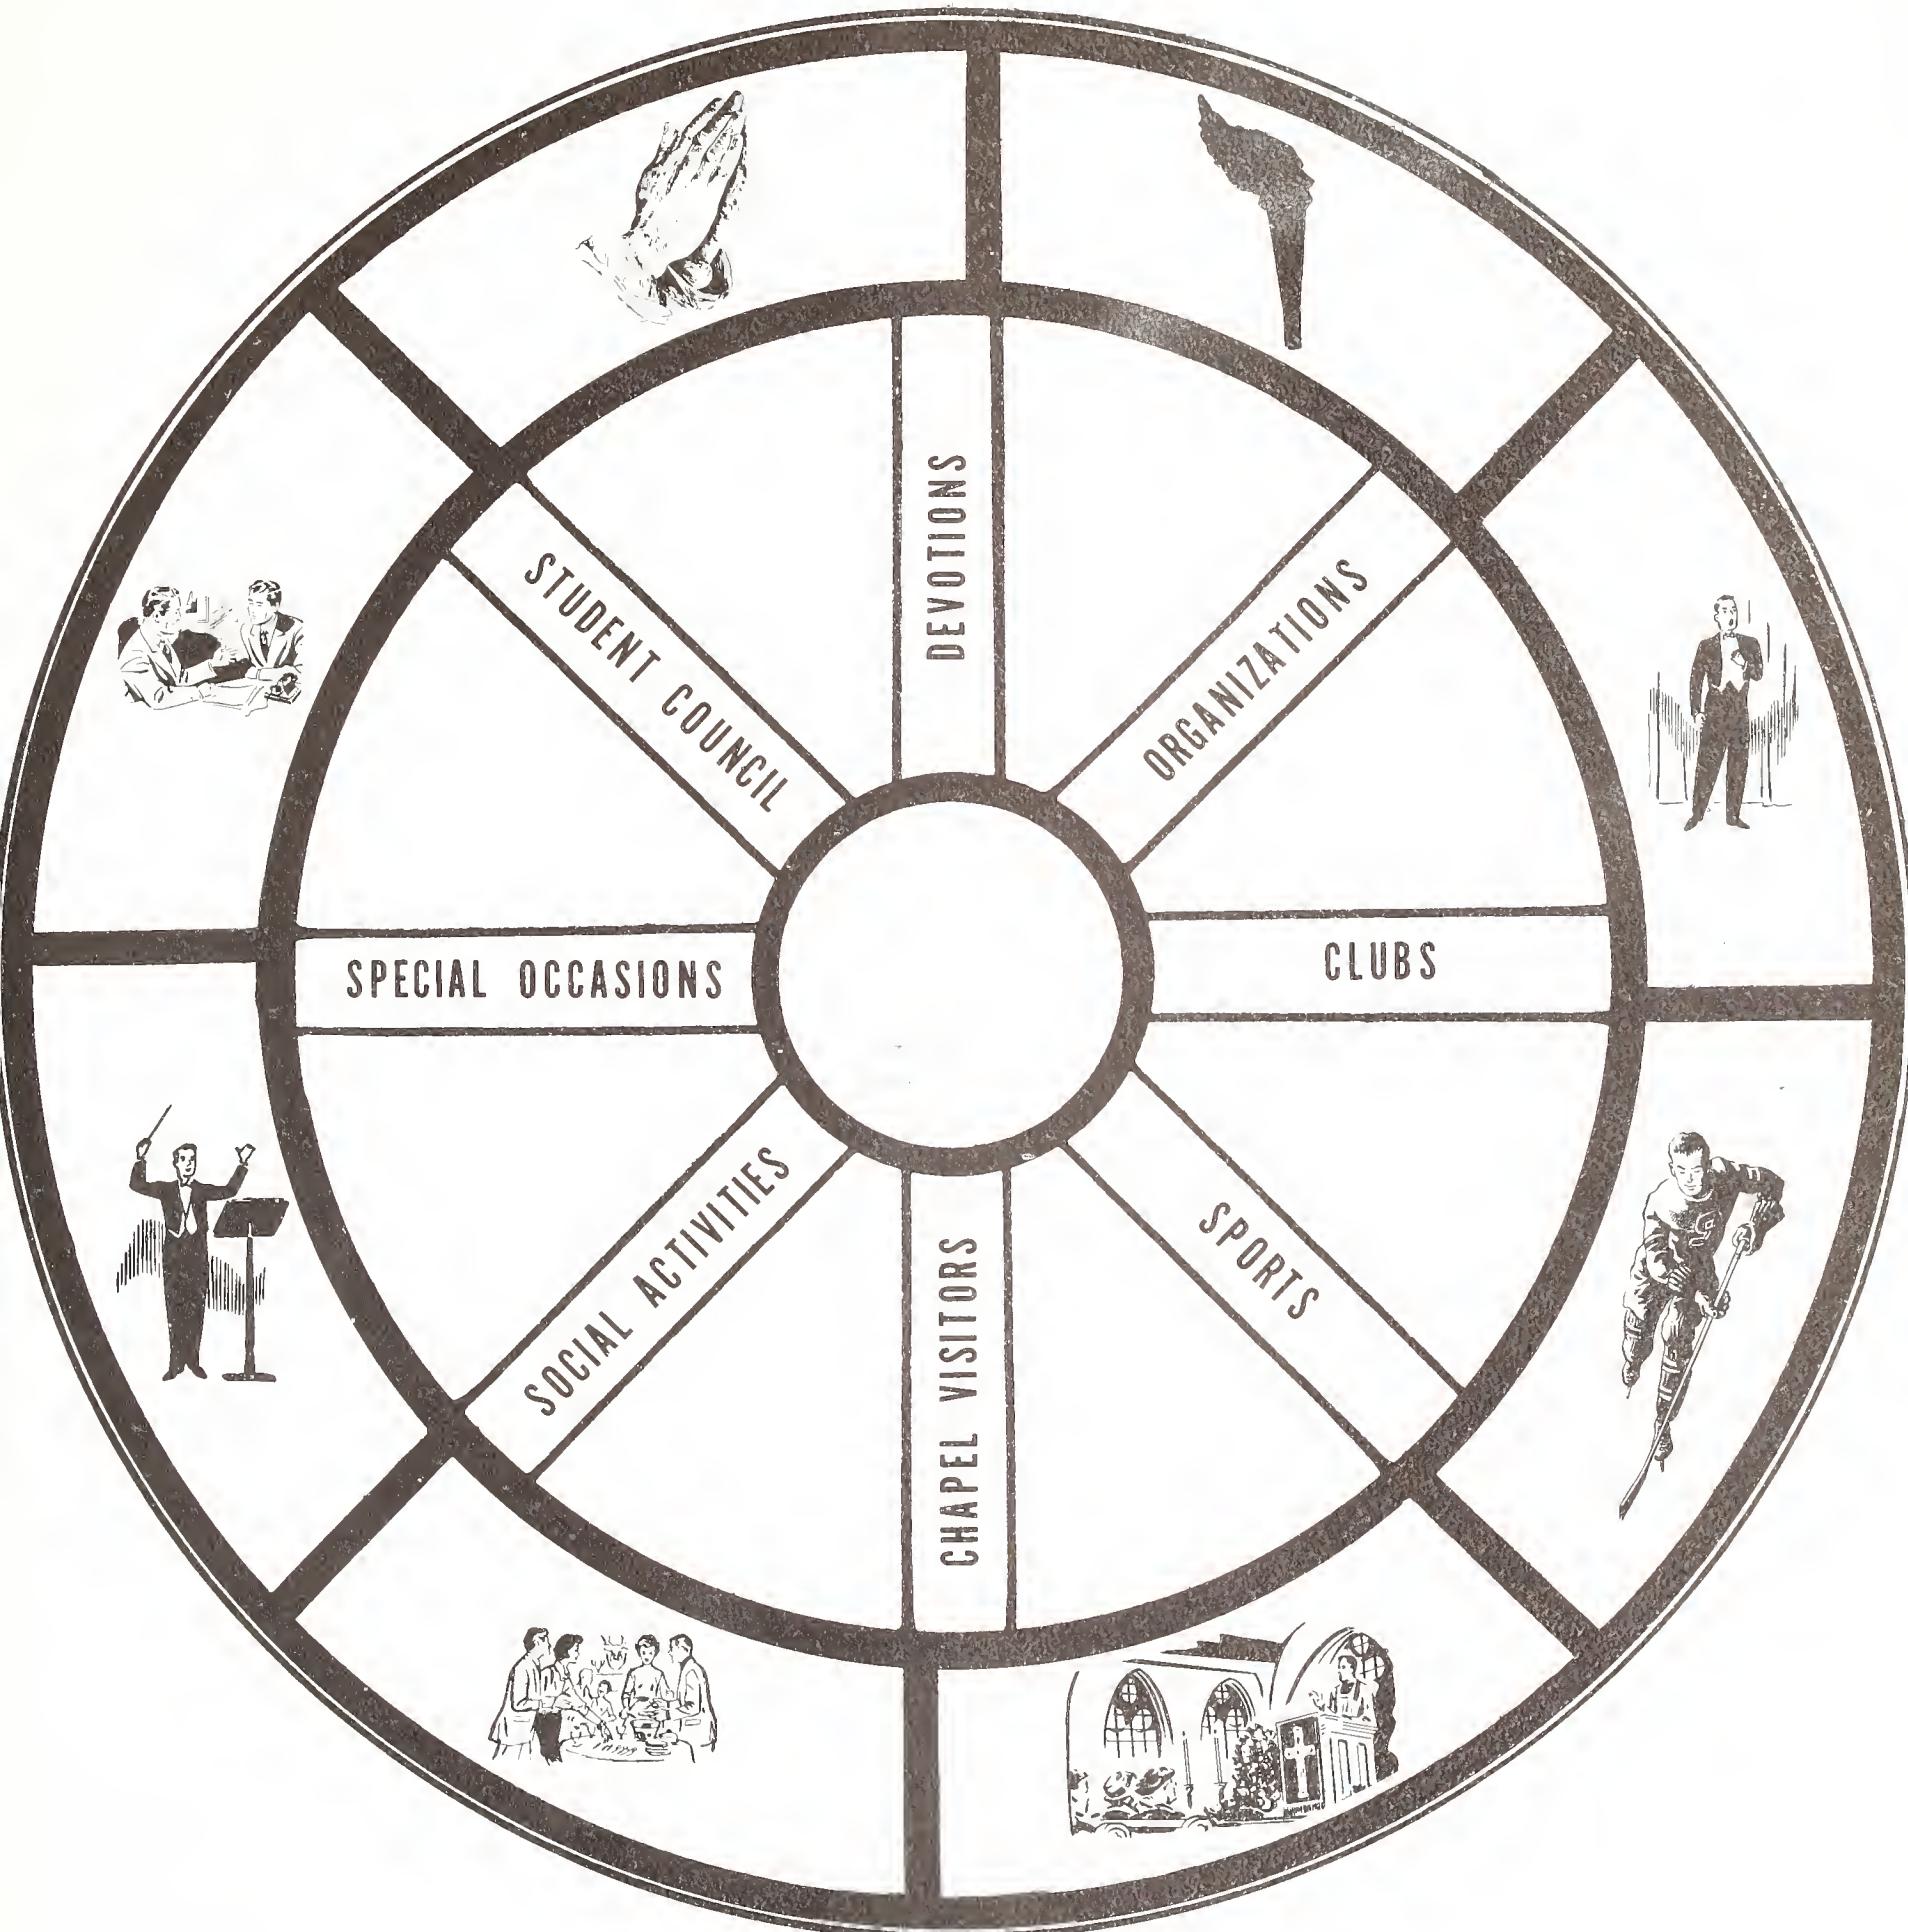

*My weakened will, Lord, Thou canst renew;  
My sinful nature Thou canst subdue;  
Fill me just now with power anew;  
Power to pray, and power to do!*

*Teach me to pray, Lord, teach me to pray;  
Thou art my Pattern, day unto day;  
Thou art my surety, now and for aye;  
Teach me to pray, Lord, teach me to pray.*

*chorus:*

*Living in Thee, Lord, and Thou in me;  
Constant abiding, this is my plea;  
Grant me Thy power, boundless and free:  
Power with men and power with Thee.*

# STUDENT

PRESIDENT *Austin Gedcke*

The Watchmen Class, with the distinct honour of graduating in Canada's Centennial Year, crosses the threshold into the Lord's great harvest field.

As Student Council President, I have endeavoured to represent each student and serve the School faithfully and diligently.

Our Student Council consists of elected representatives from each class with our esteemed President, Rev. C. H. Bronsdon, acting as Faculty Advisor. Its purpose is to represent the student body in all co-operative undertakings of the students, to maintain a close relationship between students and faculty, and to promote various student activities and projects.

I have been thrilled with the fine spirit of school enthusiasm and Christian fellowship. Indeed, this same spirit has influenced our Council meetings, contributing to the harmonious efforts of its members.

A challenge from the retiring President, as found in God's Word: "Study to shew thyself approved unto God, a workman that needeth not be ashamed, rightly dividing the Word of Truth." (II Tim. 2:15)

# STUDENT COUNCIL ENDEAVOURS

It is no accident that the Student Council of Eastern Pentecostal Bible College has become vitally involved in the expanding programme of activities at the College. The wise direction of the Faculty has served to stimulate more effective student leadership, and has awakened the Council to a greater consciousness of its purpose and function relative to student affairs.

In addition to the responsibilities of student representation, the Council supervises a host of extra-curricular activities. The Social Committee engineers the many banquets, parties and informal gatherings that add wholesome fellowship to the social calendar. The Sports Committee has offered an athletic programme, ranging from horseback riding to skating and ice hockey, much to the enjoyment of all. A number of Prayer Bands meet every week to pray for the efforts of missionary evangelism around the world. The school newspaper, a monthly publication of the Illuminator Committee, reviews the College scene with its own unique combination of humour and inspiration. These are but a few of the many active arms of the Council.

This year's Student Council has, to its credit, a number of unique accomplishments. These achievements have taken the Council to the annual Santa Claus Parade with a Bible-centred float, and to the committee room to deliberate about proposed constitutional changes. Also, recent expansion of the Christian Service Department has paved the way for vigorous student participation. It is in this particular field of endeavour that the Council has used its influence, to see that every student be afforded opportunity for spiritual fulfillment. With these goals in mind, the College will continue to produce the fine calibre of spiritual leadership which, in the past, has characterized its contribution to the Pentecostal Movement in Eastern Canada and around the world.

## PRESENTATION

In appreciation of his previous teaching ministry, the student body made a presentation to Rev. and Mrs. Schlarbaum. On the occasion of their visit to chapel the following poem was presented along with a miniature table in a huge box.

DEAR BRO. SCHLARBAUM:

When you took this table out,  
You no doubt did wonder,  
If it was the real thing  
Or if it was a blunder.  
  
But what this table says to you,  
Is, "Thank you very much  
For the many years you've laboured here."  
(It's from this whole big bunch!)  
  
Right now we do want you to know  
Respect and honour's due:  
Our admiration, love, and pride  
Is going out for you.  
  
You sure have had a time of it!  
You've used a bit of force.  
You've helped and guided -- even pushed  
To get us through the course.

"A friend in need is a friend indeed."  
You've heard it said before:  
And through your life among us here,  
You've proved this even more.

Now, as you leave, we wish the best  
That God does have for you.  
As Jesus guides along life's road,  
And proves a Friend that's true.

And, by the way, don't be alarmed  
At such a little toy:  
The table you'll eventually get  
Will be the "Real McCoy!"

# Speech and Debate Society

In every institution of learning the inevitable conflict of minds and opinions stimulate logical thinking and creates desire for expression.

The E. P. B. C. Speech and Debating Society was formed early in 1966 to encourage the students to express accurate views on debatable issues and to think logically. There has been a great deal of interest in the Society and the meetings have been well attended.

A highlight on the program this year is the opportunity to meet and debate with students from a local University. The issue under consideration affords an excellent opportunity for Christian testimony.

The chief aim of the Society is to assist young people in becoming more effective speakers in the service of our Lord.

# Music Advancement Club

The Music Advancement Club is a newly formed group in the school to promote interest in good church music. It is the desire of the Club to familiarize students with present day methods of presenting gospel music.

Such topics as voice production, breath control and enunciation are discussed enabling students to efficiently train church choirs. We also gather information regarding the organization and arrangement of hymns and songs.

We hope this Club will expand in future to provide information about the varied fields of music and equip students to serve the Master more effectively.

## The Canadian Bible Society

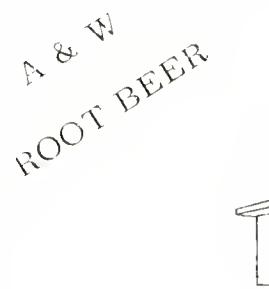

The Canadian Bible Society is engaged in the one task of translating, printing and distributing the Bible, in whole or in part, for all men.

TRANSLATION: The Scriptures are in over 1250 languages. It is the Bible Society which has been responsible for practically all these translations of the Scriptures and it is the Bible Society which today is carrying out practically all translation work. It is significant that the Scriptures have been published in the languages spoken by 97% of the people of the world. Only 3% are without any part of the Bible in their tongue. The complete Bible is in the languages spoken by 90% of the people of the world. At present some 4000 men and women are at work in 500 languages under the supervision of the Bible Society.

COST OF PRINTING AND DISTRIBUTING: In 1967 the Bible Society requires \$7,000,000.00 to provide the Scriptures needed by the missionaries, the churches and the people of some 150 countries in which the Bible Society is at work. The Canadian Bible Society must provide \$800,000.00 towards the world need.

*The Bible Society needs your prayers and your help to fulfill its great task.*
